Subject: Letter of Work Appreciation

Dear - Tripolarcon Pvt.Ltd.

I am writing to formally express my appreciation for the excellent epoxy application work your team completed at Kashipur West Bengal on 6 Jan 2026

The attention to detail during the surface preparation and the seamless finish of the final coat are outstanding. Your team's ability to complete the project within the agreed timeframe while maintaining a clean and safe workspace was highly professional.

The new floor has significantly improved the safety and aesthetics of our facility. Please extend our thanks to your entire crew for their hard work.

We look forward to working with you again on future projects.

Best regards,

First Choice
